

Birthday, Easter Parties Combined

Easter has come and gone and the kiddies have all gone back to school; we have "strutted our stuff" in our new Easter outfits in the Easter Parade and things are settling back into the normal routine again, so we are all breathing deep sighs of relief.

The offspring of Fred and Vivian Wise of 285th St. weren't able to enjoy the holiday much for both Susan and little David are confined to the house with whooping cough. A good excuse for the Easter Bunny isn't susceptible to such things for it would be downright tragic if he couldn't deliver his goodies to them, too.

The animal with the long ears came a little early at the Jones home on Reynosa when daughter Dianne celebrated her sixth birthday. Her birthday got off to a very nice start when classmates in her Sunday School class sang "Happy Birthday" to her, then in the afternoon Mommy Ginny hosted David and Linda Foote, Lorna Jones, Norma Jean Walwright, Jill and Jan Kekerley, Linda Miller, Johnny and Donnie Nash, Susan Sharon, Keith Neilson, Sonny Duncan, Steven Brown, Jones and big brother Gordie at a party honoring the little Miss. Of course there were lots of games followed by a lunch of cupcakes with Easter eggs nestled in the center, ice cream and hard boiled Easter eggs in all the pretty colors that only Easter eggs come in with each guest's name marked on them for place cards. Sounds like a wonderful day!

House guests at the home of David and Marie Poole of 2080 Reynosa Dr. are Lt. and Mrs. Gerald Wright of the US Army. Gerald and his bride of two months are stopping over with his sister while enroute to his new assignment in Monterey. They find Southern California quite a change from El Paso, Texas, where Gerald has been stationed but a great deal of their time has been spent just visiting.

It's nice to hear that little Dean Holmes of Palena St. is feeling better. . . he's had quite a bout of it. First he shut the car door on his left ring finger and cut it so badly that four stitches had to be taken out, then the day that the "needlework" was to be taken out he got a very severe case of laryngitis, and then a couple of days later came down with the old-fashioned flu. . . but when I last talked to his mother, Jewell, he was feeling ever so much better and she thought he'd soon be his old self again. All that coming so fast is just a bit hard on a four-year-old boy.

A recent week-end guest of Al and Jo Devenish of Middlebrook Rd. was Al's brother Bill Devenish of Provo, Utah. Bill is a pilot with a charter airline and had brought some passengers down. He spent Friday, Saturday and Sunday with Jo and Al.

Though the weatherman wasn't very considerate and we had miserable weather during most of their visit, Mr. and Mrs. Frank Zeiser, the parents of Betty Clark of 2043 Reynosa Dr., didn't let it stop them from taking in the sights. Mr. Zeiser could stay only five days but Betty's mother extended her visit to three weeks. Among the many sights they saw was the

Barrier Funds \$7,056 Short

Funds to purchase water to continue the West Basin barrier test until June 30 are still \$7056 short, it was reported this week.

The West Basin Water Association has raised \$33,499 from contributions and special assessment of members and have paid out \$22,556 for water during the months of December, January, February and March. This leaves \$10,943, while water for April, May and June will cost about \$18,000, it is estimated.

"Last Supper" window and "The Crucifixion" at Forest Lawn; they enjoyed lunch at the Farmer's market and shopped in some of the bigger stores. Another pleasant memory Mrs. Zeiser took home with her the one of attending the "Queen for a Day" and the "Bob Crosby Show" TV programs. Though her stay wasn't as long as she would have liked she promised when she next to come again soon and stay longer.

Taking advantage of the Easter holidays from school the Cub Scouts from Den Eight along with Den Mother Jo Devenish had a wiggler and the Priscilla Cabrillo Beach, followed by a trip through the Cabrillo Museum and an excursion up to the beach hunting shells.

Thinking that it was just a dinner invitation, Mr. and Mrs. Chris Jones and daughter Betty were surprised to find that in reality it was a Bon Voyage party honoring them last Friday evening at the home of Gordon and Virginia Jones at 2054 Reynosa Dr. "Dinner was a buffet style to the guests, Mr. and Mrs. Lloyd Jones and son Evan, Richard Jones and Bryan and Lorna Jones of Lomita. The three daughters-in-law shared hostess honors for the elder Joneses who left Saturday to motor to Quebec from whence they will board a ship for a six months visit to Wales.

Kettler's "tripping the light fantastic" at the recent Jaycees dance were the Ted Isabells, the Walt Wests, the Joe Holyhands, the Larry Browns, the Jerry Loys, the Herb Streets, the Fred Gartells, the Dale Stantons, the Gordon Joneses, the Chuck Herrens and the Ed Karlovs. The reports are that it was a really enjoyable evening, and everyone had a "slurp-ly wonderful" time.

David and Hazel Lleszey and son Alan of Fairhaven, Mass., arrived recently and are temporarily making their home with David's sister and her husband, Ted and Bea Isabell of Reynosa Dr. In between finding a house and work though they do manage to get in a little sightseeing and Bea and Ted showed them the sights of Hollywood last Saturday evening.

Your columnist had a nice surprise last weekend when she answered the phone to hear the voice of her cousin, Cadet Harlan Hegre. She hadn't seen Harlan for nearly four years, while he was still going to school, so it was really nice to hear his voice and to learn that he was at Norton Air Base at San Bernardino and would be out for a visit as soon as he could get here. Harlan and his buddy, Cadet Johnny Wilmsmeyer were on a cross-country flight in the final stages of their cadet training and Norton Air Base was one of their stops. As that was also the Cunninghams' 12th wedding anniversary they made it a party and went night clubbing. Monday the boys took in the sights of Los Angeles and Hollywood leaving early Tuesday morning for their home

field, Reese Air Base at Lubbock, Texas. Cadet Hegre hailed from Vancouver, Wash., while Cadet Wilmsmeyer is from St. Louis, Mo. The new morning circle of the WSCS, which met recently at the home of Vi Gore, has chosen the name of the Priscilla as their group name. Adda May Blakeley was elected chairman of the new circle, with Jo Devenish as co-chairman and Carmen Neilson as Secretary. The circle will meet the first Thursday of each month at 10 a.m. Bertha McKinley will be the hostess, for the May meeting.

ed by Rev. Singleton in the home of the bride's mother, Mrs. Lillian Middleton, 2104 Middlebrook Rd. Betty, looking radiant as all brides do, was dressed in a white street length dress and wore a corsage of pink roses. Mrs. Jean Middleton was a matron of honor, while her husband, Larry Middleton, gave the bride away. W. R. Westfall served as Best Man. The newlyweds left on a short honeymoon in Northern California immediately after the reception and upon their arrival back in Torrance are making their home at 818 Sartori Ave. Both Henry and Betty are employed by Longren Aircraft. Henry is the son of Mr. and Mrs. H. R. Jean of Sulphur, La.
